Varsity Boys: Thursday, August 12

Dear Parents and Student-Athletes

I hope you are having a great summer. As we look forward to our upcoming golf season, I expect that you are eagerly practicing and getting invaluable tournament experience in the many highly competitive tournaments offered for junior golfers. Coach Hostin and I are already planning tournaments, practices, and activities with your individual and team success in mind. We invite you to attend our tryouts two weeks before school starts so we can maximize the fall season and jump right in as soon as possible. If you cannot make the set tryout date, please contact me as soon as possible to explain your extenuating circumstance so I can work with you.

This year our tryouts will consist of playing at least 9 holes (18 for varsity boys) and the possibility of further work on the driving range in individual cases. We will be gauging many things beyond your score including attitude, course management, ability to manage your mental game, and more. We will choose both teams with these criteria hoping to select the best teammates and student-athletes to help our team gain success in all areas.

Please find tryout information at [www.wolverineclub.com](http://www.wolverineclub.com) on the golf page. It is mandatory that you bring the necessary medical and information forms for us to allow you to tryout. If you have any questions, do not hesitate to contact me. As stated in the tryout information, you need to email me with the information requested and I will respond during the first week of August with your specific tee time, so please do not forget that important step.

Enjoy the rest of your summer and we'll see you soon!
